visa form for travel to cuba

The following information is necessary to request your Cuban visa. Each traveler is responsible for having proper documentation on your person to enter Cuba as well as to re-enter the United States and proper documentation to travel via a third country to Cuba if necessary. Persons born in Cuba may also be required to hold a valid Cuban passport and make an additional visa application and should contact our office immediately as the process may take longer than the other visas. **All participants must attach a photocopy of their passport to this form. Special Needs:

While we cannot promise given scarce resources in Cuba that all special needs can be met, your hosts in Cuba will appreciate learning of these needs and will do everything possible to meet them. Please be sure to take all needed medications with you.

Again, all visa applications must be accompanied by a photocopy of your passport. If you are applying for a new passport or renewing a passport, you do not need to send to us your old passport: the number will change on the new one.
